HPOU PAC Endorses Candidates in City of Houston elections

Highly Sought after Municipal Endorsement Secured by 14 Candidates for Houston's November Municipal Elections

Today, the Houston Police Officers' Union Political Action Committee announced the candidates it will support in the City of Houston elections this November. The HPOU PAC endorsement is widely regarded as the most important endorsement in municipal elections. The PAC Committee reviewed the current candidates carefully and reached consensus on 14 candidates to support. Additional endorsements may come at a later time as the campaigns develop.

HPOU Vice-President and PAC Chairman Ray Hunt said, "We have examined the candidates carefully to discern who we believe can be great champions of proud men and women of the Houston Police Department. We look forward to actively supporting these endorsed candidates and assisting them to victory in November and December. "
